“Balwin Properties Limited strives to be the home builder of choice of all South Africans through the delivery of unique high quality lifestyle homes.”

It has always been my vision to create a company with strong old school principles. A company with an exciting vision delivering the highest standards, strong values and exacting disciplines.

I like to challenge the conventional and reinvent the way we deliver, sustain and create. The company, Balwin Properties, of which I am so proud to be a part has been my vision to be the most exciting and dynamic property developer in South Africa.

When I launched Balwin Properties, the company name was created for a simple reason. To create a brand that every community and people group would live and experience a true culture of excellence in residential properties.

Our brand values represents quality, innovation, passion, integrity and most of all, people.

We are very pleased to bring our brand to De Aan-Zicht, which is more than a home, it's a lifestyle. This is a luxury development and has the potential to become the leading address in Somerset West, and we are providing a range of apartments to suit the needs of many purchasers, from first time buyers to families and investors.

All Balwin Properties Limited homes are Edge Green certified and our lifestyle centres are “6-Star” Green Rated. We passionately strive to improve our developments and have also created Balwin Parks to protect our planet and further enhance the lifestyle offering to our clients.
